PURPOSE

The ruthless grip of sin knows no prejudice. It defiantly violates the privacy of the timid and boldly attacks the courageous. To some it is fiery and robust; to others it is gentle and tender; and yet to others it is silent and tranquil—at once a devouring lion, grotesque in nature, and at the same moment an angel of assurance and reassurance.

As the universal equalizer, sin has leveled all barriers and allowed all compromises in order to embrace the hearts and minds of all mankind. In the dearth of the Orient it enslaves the hungry; in the flickering fires of growing Africa it buoys ambition; through the tired hills of restless Europe it cultivates confusion; in the plateaus of the progressive Americas it tills the soils of materialism. Its breadth immeasurable; its depth undescrivable.

As a jealous mother, sin holds the earth's millions to its bosom and shields it from all light. And yet, to these dying millions we, the students of the Washington Bible College, are dedicated to present the Gospel of Jesus Christ. We are men and women of one purpose, of one persuasion, of one calling: **TO THE MILLIONS FOR CHRIST!**

DEDICATION

The 1962 Milestone is, in a sense, dedicated to dedication itself. For in the person, Dr. Douglas B. MacCorkle, we find best demonstrated the fabric and strength which are produced when an individual is truly dedicated to the living Christ. The fine balance of confidence and humility; scholarship and simplicity; wisdom and warmth; power and peace; are the qualities which have well marked this man as a unique leader admired and respected by both students and faculty alike.

Dr. MacCorkle has set a high standard of accomplishment by completing work on his doctorate in Theology in 1961 amidst the endless pressures of his regular college obligations. In the demanding office of Dean of our school for the past five years, he has maintained a rapid pace of progress which has left its effect on every aspect of our institution. His amazing abilities as professor of Greek and New Testament have instilled in his students a captivating determination for precise scholarship as well as a need for an unconditional surrender to the Spirit of God.

In recent years his effective demonstration of the exact use of the tools and methods necessary for correct, productive Bible study have made his class in "Principles of Literary Interpretation" one of the most rewarding and most appreciated experiences in the pupil's College career. Dr. MacCorkle's talents as an artist have been incorporated to great advantage in school publication: the Tidings, pamphlets, brochures, and tracts designed to advertise the college as well as to reach the unregenerate. His advice, counsel, and friendship have cemented a perpetual feeling of sincere admiration among the students to whom he has devoted so much.

In his ministry at the Washington Bible College his zeal has been contagious; his enthusiasm, inflaming; his energy, stimulating and his intelligence, challenging. As the picture of effective leadership, Dr. MacCorkle has taken the initiative in setting a good example by being an active leader—intensive, insatiable, and inexhaustible.

It is with such outstanding scholastic and spiritual qualities in mind that we take great pleasure and satisfaction in dedicating the 1962 Milestone to one who is above all a man of God—Dr. Douglas B. MacCorkle.

Douglas B. MacCorkle

President's Message

This is the day of lengthening shadows as deceitful workers, false teachers and rebels against authority abound. The background of our testimony becomes increasingly blacker, the opposition to righteousness bolder and sin more open and unrestrained.

This is the day when our voice for Christ is needed most. It will take Holy Spirit boldness and only the power of God will prevail. The conditions that surround us will expose the weakness of all who seek to enter the fray in the flesh or those who have not learned that the weapons of our warfare are not carnal.

Such times demand an all-out offensive by every child of God. Nothing less than complete devotion and allegiance to Christ will prove effectual. We must go back to the formula established by our Lord when He said, "If any man will come after me let him deny himself, and take up his cross daily and follow me." Any reservation disqualifies us for discipleship, is a dishonor to Christ and a shame to us and our testimony.

As the battle intensifies a soldier must fight more fiercely, spend his reserves and use his weapons to the fullest. During your four years at WBC your faculty has sought to equip you with the best weapon, the Word of God, to warn you and instruct you concerning the enemy so you will know how to bring about his defeat, and to lead you into a preparation of heart that will provide the courage and endurance so necessary in any work for the Lord. We have sought to lead you into a dependence upon the faithfulness of Christ who always leadeth us in triumph. We pray you forth with complete dependence upon the Holy Spirit to enable you to run your course with joy and press the battle for Christ until He shall snatch away His bride.

"Wherefore, my beloved brethren, be ye steadfast, unmovable, always abounding in the work of the Lord, forasmuch as ye know that your labor is not in vain in the Lord." I Cor. 15:58

DEVELOP ACCORDING TO DESIGN

"In your faith supply excellence"—II Peter 1:5b

"When through fiery trials thy pathway shall lie, my grace all-sufficient shall be thy supply. The flame shall not hurt thee; I only design thy dross to consume and thy gold to refine."

Seniors! If we have conditioned you well at W.B.C. you should have a good start for a great experience—for, "they that do know their God shall *be* strong and *do exploits* (Daniel 11:32b)." This calls for an excellence in your faith. You now have a new *major*. Major in excellence and you will develop rapidly and according to God's design.

Excellence in concentration will keep you true to Jesus though a thousand voices from the world may call. Have eyes and ears only for Him that in the transfiguring experience the design may thrill those who are looking for the evidence of Christ in you.

Excellence in collaboration will make you a profitable servant of the Lord. Stay awake to the fact that you are not working *for* the Lord but *with* Him. Let it be seen that you are yoked *with* Him (Matt. 11:29). Show the world that you have learned God's will from His Word in order that you may do God's work in God's way with God's wealth.

Excellence in communication will make you eminently understood as to the real burden of your ministry. Define and declare the message of Christ in certain sounds that your hearers may prepare themselves for life at its best in Christ.

Christ is worthy of excelling faith. Pour it out at His blessed feet. May it be a continuing flow, lavishly directed to the glory of our wonderful Lord and Savior Jesus Christ.

BOARD OF TRUSTEES

As men of faith, our trustees are committed to the task of the future development of facilities and the provision of competent personnel to make the Washington Bible College a greater channel of blessing to the uttermost part of the earth.

There are three words that spell out the field of service of the Board of Trustees of the College, namely, responsibility, vision and leadership:

As we look ahead to the continued rapid growth of the student body, the responsibility of the trustees to provide adequate facilities for training must be prayerfully undertaken. The God-given vision of the past caused men to move ahead under the direction of the Holy Spirit. Today, God is continuing to give vision of an expanded ministry, with the resultant increased witness to perishing men. This vision, based on a conscious responsibility to God has provided a respected leadership which seeks to unite the prayers and gifts of God's people to reach the goals God has set before us.

Prayer Band Leaders:

The Foreign Missions Fellowship performs the dual function of informing and inspiring. Largely responsible for bringing information and inspiration are the numerous guest missionaries who speak at the weekly chapel sessions. In this manner students are not only made aware of the various fields, but they are also challenged concerning their responsibility to Scriptural commands.

President Charles Bruynell and his efficient executive council, advised by Professor Willis E. Bishop, have made this one of FMF's outstanding years. Primary in this year's achievements was the fund drive for supplying printing equipment and educational materials to Miss Doris Jackling in Brazil as well as their highly successful annual Missionary Conference.

FMF is a charter member of the Student Foreign Missions Fellowship of the Inter-Varsity Christian Fellowships. In affiliation with the organization, a number of students were able to attend a rewarding week at the 1961 Urbana Missionary Conference in Illinois and witness firsthand the challenge of the fields.

FMF PRAYER BANDS

Every student is a member of one of the six prayer bands which include Africa, Europe, South America, the Far East, the Islands of the Sea, and North America. The purpose of the prayer bands is to instill in each student the practice of faithful prayer stewardship for missionaries. To make this possible, correspondence with one or more missionaries is encouraged.

Each prayer band is virtually autonomous, electing its own officers and deciding specific procedures though an integral part of FMF. Prayer bands, in addition to informal gatherings, meet monthly for business and prayer.

CHI ALPHA OMEGA

The Chi Alpha Omega Honor Society was established to recognize students who make marked achievements in their academic endeavor. Included in this recognition is a reminder that scholarship without Divine illumination is worse than useless. The very name of the society bears this out, for Chi Alpha Omega signifies "Christ, the beginning and the end." A Bible-centered education can only be effective in a Christ-centered life.

Membership in the honor society is open to all students upon the completion of one year of study, provided they meet specific academic standards. A progressive series of awards is given in the form of gold pins to those who meet these standards. The Chi Alpha Omega key culminates the presentation of awards for students completing four years with a 2.5 average.

THE MILESTONE STAFF

The 1962 Milestone is a product of the combined efforts of the entire student body at the Washington Bible College. From the earliest decisions which began to take form in the spring of 1961 until the last page rolled from the press in the spring of 1962, this has been a book of student expression and accomplishment!

Serving a dual purpose, we have endeavored to present a true picture of the college life and training program which exists at WBC as well as to furnish a treasure chest of memories for those students who have made this year the success which it has been. From the slow grind of tedious studies to the hilarity of basketball games and skip days, we have attempted to capture the actual lines of dedicated students desirous of being in complete surrender to the will of God.

We would like to express our sincere gratitude to every member of the faculty and student body for their selfless attitude of sacrifice and cooperation in making this book possible.

THE STUDENT SLANT

In its second year of publication the *Student Slant*, the College's monthly student newspaper, continues to provide the College with the well balanced combination of the jocular and substantial. Among the regular features are the pertinent expressions of the "Student Voice," the quaint "Campus Query," the homey "Getting Acquainted with Campus Leaders," and of course, the droll humor of the *Slant* cartoonist. Of special interest is the series in which students reported on their experiences during summer ministries. Another valuable asset of the *Slant* is the opportunity for students to channel their literary talents into a practical and gratifying endeavor. In addition to this, the staff of the *SLANT* acquires much functional experience that is certain to enhance their ministry for the Lord.

STUDENT COUNCIL OFFICERS

STUDENT COUNCIL

The Student Council functions to combine the efforts of the students and the faculty in promoting the spiritual and the social welfare of the College. In accordance with this purpose all of the student activities are channeled through the Council, which makes every effort in promoting the testimony, growth and ministry of WBC. Among the many activities so channeled were the Halloween Party, Christmas Banquet, Valentine Banquet, and Skip Day. This year the Council made important steps in making the Constitution more efficient in view of the expected growth of the College.

The Student Council is composed of two types of members, those elected by the entire student body and those elected by the various classes. The former, in turn, is composed of the President, Vice-President, Secretary, Treasurer, Social-Sports Coordinators and Chaplain. The latter consists of two representatives from each class who act as the central legislating body.

The Council has experienced a highly successful year under the excellent leadership of Samuel Martz as he has incorporated many ideas which have promoted great advances in general student spirit and participation.

STUDENT MINISTRIES

OF MUSIC

One of the most effective and far reaching ministries of Christian work is music. Many times the words of a song have touched the hearts of both the sinner and the saint as to their relationship with the Lord.

The Lord has given fine instructors in voice, piano, and organ, thus the Washington Bible College affords many opportunities in the realm of music.

Our Trio and Quartet and also the choir have been busy each weekend ministering in song and testimony the praises of the Saviour.

The music ministry does not end when the school year comes to a close but rather continues on as this year both the Capital-aires and Capital-ettes will minister in various Bible Conferences, camps, and churches throughout the United States during the summer months.

Herbert D. Arnold, B.A.
Director of Christian Service

Rev. Herbert D. Arnold, graduate of '58, college seminary student, and interim pastor to a church in Maryland, is the director of the Christian Service Department at WBC. We commend Mr. Arnold for the fine job he has done in scheduling gospel teams and assigning students to serve the Lord in various other types of Christian ministry.

CHRISTIAN SERVICE

All the Theology and Biblical data in the world would be valueless if simply stored in the mind, but the Living Word of God vitalizes the yielded Christian's walk. One of the evidences that the Word of God is abiding in the heart is a sincere desire to be in active service for Christ. The CHRISTIAN SERVICE DEPARTMENT exists to encourage and coordinate the services performed by the students. It also acts as the mediator for Christian organizations who desire the ministry of the students.

Every student is involved in tract distribution, personal evangelism, mission meetings, and visitation programs. In addition to these required assignments, students participate in holding Bible clubs, teaching Sunday School, pastoring churches, directing youth groups, preaching in jails and utilizing musical talents.

One can hardly over emphasize the values of such ministering, not only in terms of the present, but also in preparation for the future.

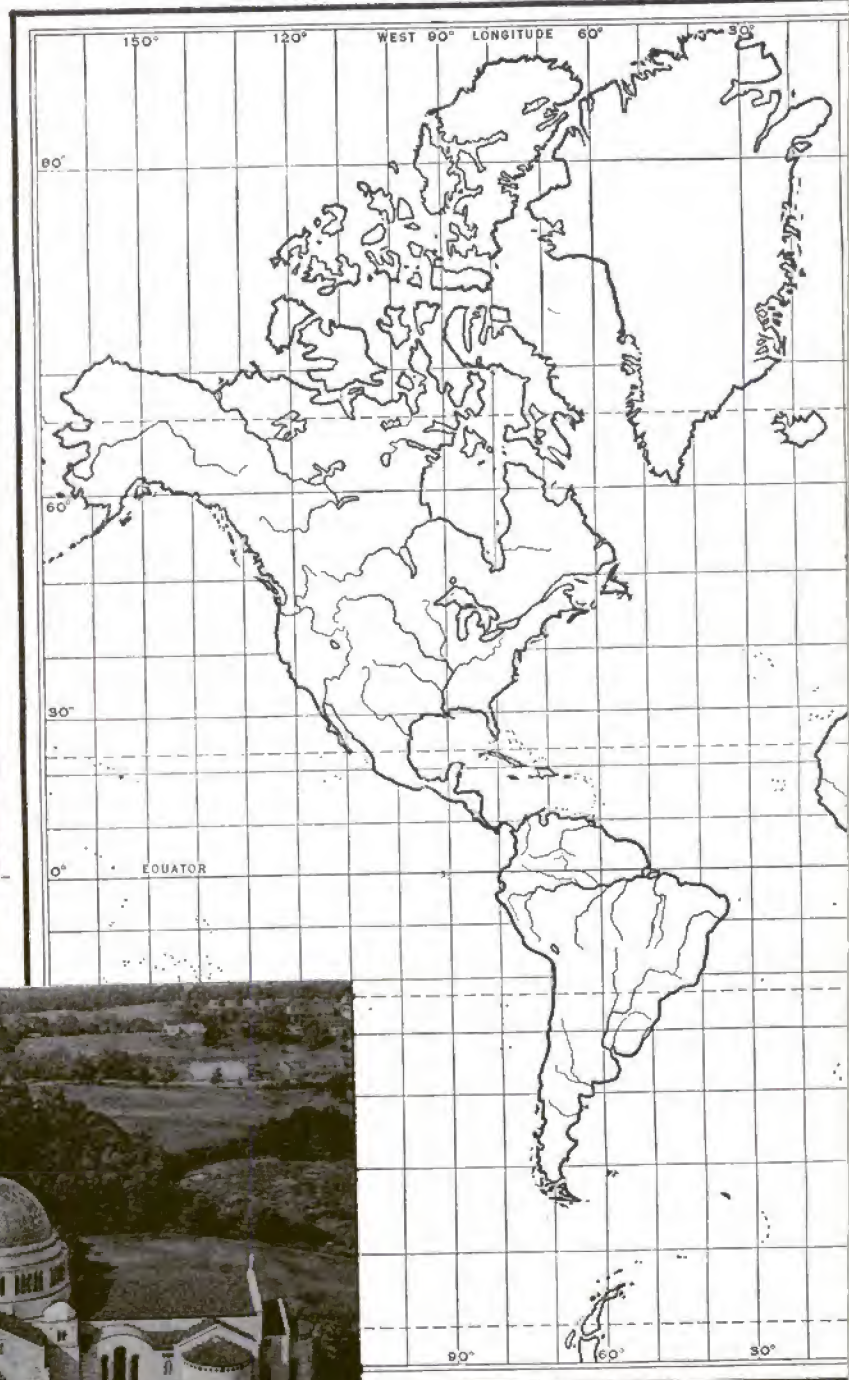

CHRISTIAN SERVICE ACTIVITY is included in the College Curriculum and credited accordingly.

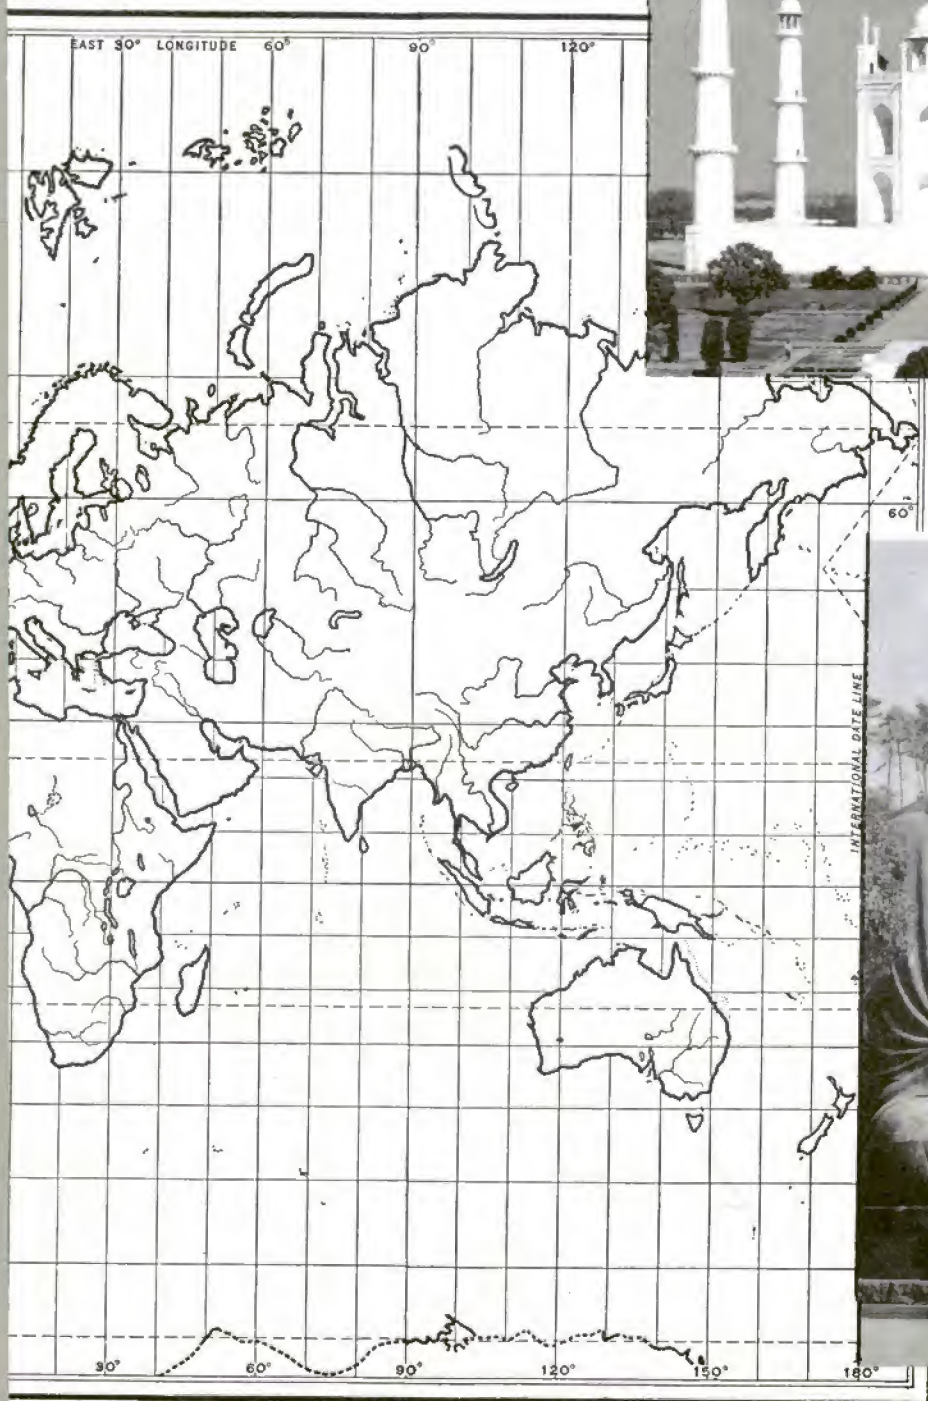

STUDENT OCCUPATIONS

Busily laboring to sustain their income, these students have secured part-time work in nearby organizations as office and mail-room assistants, while others have taken advantage of some of the numerous jobs offered at the College.

HIGHLIGHTS

YOUTH CONFERENCE

The purpose of the YOUTH CONFERENCE was to confront young people with the mandate to put Christ first in their life and then to acquaint them with the noblest and most rewarding discipline in the world—the study of the Word of God. In fact the emphasis was that every Christian must be continually looking into the Word of God for the will of God in order to do the work of God.

Success marked the Thirteenth Annual Youth Conference. Months of preparation by the faculty, staff, and student body brought dividends in souls won to Christ and lives yielded to the will of God. The conferees were housed in one of Washington's fine hotels and the meetings held in a local church whose facilities had been graciously offered to the College. Musical entertainment was provided by the faculty, students, and the Homer Phillips Family.

WABANA ADVANCE

To stimulate the urge for a solid student surge in the forthcoming year, the College held its annual ADVANCE at the Wabanna Bible Conference grounds, realizing the importance of attaining a high level of spiritual unity before embarking on a semester of arduous study.

During the two-day conference the students were confronted with admonitions and challenges from the Word of God and were oriented into the policies and program of the College. The meetings were embellished with stirring testimonies from summer missionaries and enjoyable musical packets. Interspersed in the program were several recreational periods when students engaged in everything from swimming to ping pong.

We felt extremely fortunate to be able to share this occasion with the Board of Trustees of the College, who spent the last evening with us. Everyone received an encouraging lift by the testimonies in music by the talented Homer Phillips Family.

The conference was acclaimed unanimously by everyone and desire was expressed to continue that type of ADVANCE in the years to come.

PRESIDENT MILES IN AFRICA

Mr. Miles greets Sir Francis Ibiom. Sir Ibiom was a medical missionary to his own people for 20 years, has been knighted by the Queen and is now Governor of the Eastern Region.

One of eight flat tires from Jos to Enugu

The month of August 1961 found President Miles again in Nigeria, Africa, as a member of the Pocket Testament League team to conduct the first Nigerian Christian Leaders Conferences. Nearly 1800 African pastors were brought together in four strategic centers: namely, Enugu, capital of the Eastern Region where 400 attended; Zaria, in the heart of the muslim north where nearly 800 gathered; Ibadan, capital of the Western Region with 350 in attendance; Benin City in the south central area where 230 registered. Of the 37 missionary and church agencies in Nigeria, 30 cooperated in the Conference.

No Conferences of this nature and magnitude had ever before been attempted in Africa. No agency existed to unite the widely scattered pastors so P. T. L. was encouraged to undertake the task. Missionaries were not urged to come since there were no facilities to care for them and also it was felt that if the Africans met apart from their missionaries, they would more readily accept the challenge and responsibility that is theirs.

The emphasis was four-fold: First, the Pastor himself. Many came unsaved and not separated. It was a great joy to see them turn to Christ and yield to Him. Second, Bible study and preaching of the Word. Third, Personal Evangelism. Follow up of the convert was stressed. Fourth, Missions. Their responsibility in reaching the whole world for Christ was emphasized.

These Conferences have pioneered among the evangelicals of Nigeria what may well be a national unity and responsibility for the advance of the gospel of Christ among Africans for which missionaries have been earnestly praying.

MISSIONARY CONFERENCE

The highlight of missionary emphasis each year at WBC, is the much honored missionary conference. During two days of concentrated meetings, information, education and challenges are presented in order that each student might more intelligently consider his place of service in the will of God.

This year the theme, "Discipling the Dying West" set the pace for an intensive investigation into the missionary labors which are being carried on throughout the Western Hemisphere. Such veteran servants as Mr. Hunter Norwood of South America Indian Mission; Mr. Arnold Reynolds of Christian Brethren Church of Quebec; Mr. William Frisk of Christian Literature Crusade; Mr. Vincent Joy of Central Alaskan Mission and each contributed greatly of his experiences and counsel to meet the needs of our inquisitive student body.

Films, maps, lectures, and discussions provided more than ample opportunity to explore the questions, doubts, fears, curiosities, and anticipations of all who attended.

By holding both morning and evening sessions a great many local Christians were able to join our students and help make this a most successful 13th annual conference.

FOUNDERS DAY WEEK

The annual Founders Conference was observed in memory of the men and women whom God has raised up to make the Washington Bible College a reality. It is fitting that special Bible lectures be held in order that the College might better experience the spirit of the past in which to honor these heroes of faith.

The speaker at the Conference this year was the Rev. Robert L. Briggs, pastor of the Arlington Presbyterian Church in Baltimore, Maryland. Rev. Briggs gave a study in applying Old Testament illustrations and principles in the light of New Testament truth, making very timely and appropriate applications from the book of Deuteronomy.

A catered banquet at the National City Christian Church consummated the conference. Included in the program were stirring student testimonies and enjoyable musical selections. Guests were reminded of the College's rich heritage and were given a prospectus of the needs of the present and the very near future. Rev. Briggs concluded his series with an apt message from Hebrews entitled "The Faith of Uncompromising Moses."

CHRISTIAN EDUCATION CONFERENCE

During the past two decades the Christian world has undergone revolutionary changes in its attitude and emphasis toward organized Christian Education. With this in mind the Washington Bible College holds annual conferences in which modern means and methods of Church and school education are openly displayed and discussed before potential leaders in the Washington Area.

Two day-long sessions were held this year, April 2-3, in our school auditorium under the capable leadership of Mrs. Norman Townsend, Director of Youth at the remarkable Quidnesset Baptist Church in Quidnesset, Rhode Island. Mrs. Townsend's late husband, Rev. Townsend, was one of the most respected men in the field of Christian Education prior to his death last year.

The major theme of the conference was how to reach and teach young people from the ages of 13 through 25. Through the media of films, displays, discussions, laboratory clinics, visual aids, and curriculum planning the conference touched quickly on almost every avenue of outreach for the youth in our communities.

Special emphasis was placed throughout the conference on persistent preparation and enthusiastic presentation.

A CHALLENGING CHAPEL

Chapel is a time of rich inspiration not only for the student's every day schedule but also a challenge to a student's spiritual life.

Among our chapel speakers this year have been missionaries from various continents, Bible teachers, local pastors, seminary students and other men of God.

It is through these chapel speakers that many discouraged students are encouraged, young Christians are able to grow in grace, and others receive the call of the Lord for future service as they receive a better view of the world and need around them.

CHOIR-CHRISTMAS

The choir, under the able direction of Professor I. David Halvorsen, presented a Christmas Musicale package on the evening of December 15, 1961. The beautiful age-old Christmas Carols were sung, interspersed with vocal solos, a trumpet solo and trio arrangements, all pertaining to the glorious birth of our Lord Jesus.

The Christmas Choir Musicale is but one of the projects for the choir as they have been busy in various local churches singing, "Wonderful Words of Life;" to express their testimony in words and in music.

TIDINGS HOUR

In an attempt to add another outlet for the Gospel, the Washington Bible College maintains a weekly radio program of effective, evangelical Bible teaching over station WFAX. Each Sunday afternoon the voice of the Tidings Hour echoes out across most of the state of Virginia as well as the Washington D. C. area with systematic instruction for the layman who really concerns himself with the Word of God.

Our president, Mr. George Miles, usually heads the program with his vast experience and training while other speakers such as Dr. MacCorkle, Dr. Mulholland, and Professor Bishop add an occasional book study from time to time. The College quartet, trio and choir provide a fine assortment of music and members of the student body furnish additional encouragement in testimonies.

SPORTS

The students at the Washington Bible College, as most students, are very much interested in a sports program which will allow them to develop their physical abilities as well as acquire important traits of leadership and team work. To this end they are highly encouraged to participate in whatever athletic functions which can be made available.

The well worn "Arena" of WBC is the home of the agile, the idle, and the ambitious. Here many hours are quickly spent each week in the sport of ping pong by both faculty and student body alike for few students pass through these halls without eventually being stung by this highly contagious bug.

Basketball is fast gaining in popularity among the students and each year the team seems to develop into a more colorful and promising group of contenders. They participate each year in a local church league which holds its games in the city's high school gyms.

During the frequent outings which are held the student eagerly engages in football, volley ball, tennis, softball, and even some track events.

The Athletic program is ever growing and the student who really wants to involve himself in some good wholesome activity has little trouble in doing so.

THE ALUMNI ASSOCIATION

Within recent years the WBC Alumni Association has become an ever-increasing asset to the College. This increase is a direct product of efficient organization by the enthusiastic officers. Currently there is an emphasis on the formation of Alumni Chapters for various geographical locations where alumni have settled.

The Association performs several functions. It makes possible contact between old friends and perpetuates a mutual interest in the affairs of each of the alumni. It also makes known to the public the ministry which alumni are accomplishing in their various fields of labor, thus is augmented the confidence of friends in the program of the College. An active advertising program is encouraged among members especially in presenting the College to young people. In addition, the Association seeks to elicit means of aiding the local needs of the College.

Included in the events of the year are the Annual Homecoming, the New Year's tea, the welcome banquet for graduating seniors, and a summer retreat.

ALUMNI SPOTLIGHT

Presently Richard and Ruth Trout are ministering in South America with the Pocket Testament League with headquarters in Lima, Peru. Mr. Trout maintains the PTL sound trucks in conjunction with the evangelistic campaigns. In addition to maintenance responsibilities he also preaches in the meetings.

Mr. Trout was graduated from WBC in 1958. While a student he undertook the pastorate of People's Bible Church in Frederick, Maryland, which capacity he filled for two and a half years. After being graduated from WBC he assumed a position on the faculty in the high school of Rappahannock County, Virginia, teaching history.

Shortly thereafter Mr. Trout resigned as pastor and teacher to take part in a PTL campaign in Berlin, Germany in the fall of 1960, and then went out with the team to Hamburg, Germany in the spring of 1961. In these campaigns there were many evangelistic meetings and an extensive distribution of Gospels of John.

With previous experience in auto mechanics, radio repair, youth camp work, and the pastorate, Mr. Trout is a capable co-laborer with PTL in bringing the message of Christ to souls living in a spiritual vacuum and dying in hopeless despondency.

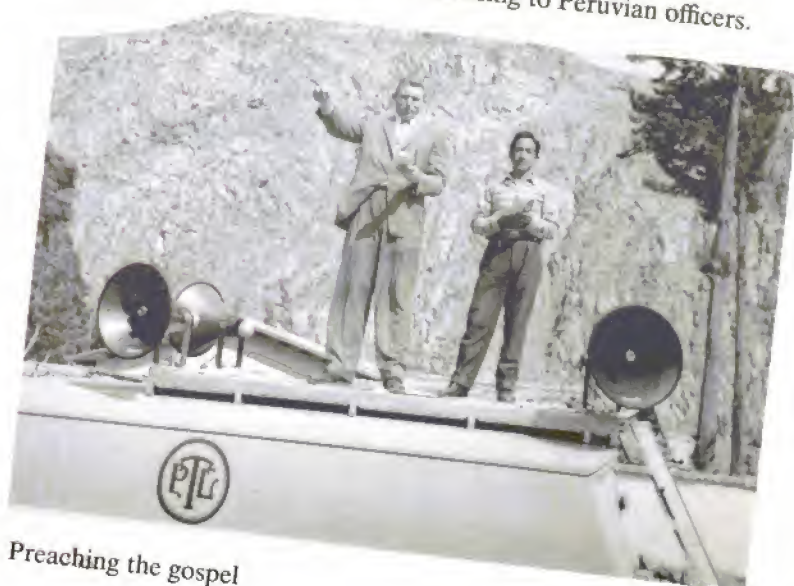

The Milestone is proud to spotlight Richard and Ruth Trout with their three children, Steve, Paul, and Sharon.

Mr. Edward Stelling
Prayer Steward Secretary

PRAYER WARRIORS

The purpose of the Prayer Stewards is to enlist systematic prayer support for the Washington Bible College. Through a monthly prayer letter, matters of praise and request are made known to the prayer warriors, and on the first Sunday of each month, friends in the Washington area meet for prayer and thanksgiving at the College.

Rev. Edward Stelling spearheads this department through his active encouragement and his warm message from God's Word which accompanies each prayer letter.

Christians interested in the vital need of Bible Training for young men and women on the college level and the instruction of lay people may enroll in the weekly prayer cycle simply by writing to the college and indicating such an interest.

WOMEN'S AUXILIARY

As one enters the homey, spacious lounge of the Washington Bible College, one can see that a woman's hands have been busy in the arrangement of the furniture, the added little accessories and the beauty of the entire room.

This room has been one of the many projects of our Women's Auxiliary. This group of women have given, prayed and worked very faithfully for the Lord in respect to the college and its needs.

In our kitchen, one will find a large, economic stove, a gift from the Women's Auxiliary, and yet this is not all they have done; vacuum cleaners, fans, choir robes, our printing press and more can all be attributed to these godly women, who are a greatly needed and appreciated part of our college.

STUDENT WIVES CLUB

The Student Wives Club provides much-needed social opportunities for the wives whose husbands attend WBC or the Capital Bible Seminary. Amidst the persistent pressures of student family cares it is necessary that wives meet and fellowship with others of like ministry. Here they can find relaxation, change, and enjoyment, and also feel as though they are more of an integral part of college life.

The club offers a good variety of interesting things at the monthly meetings. Speakers are invited to bring talks on missions, education, and practical aspects of living. Special suppers are held occasionally to which the husbands are invited. Also included in the program are Bible studies and prayer.

During the time of the graduation of the husbands, the wives confer their own degree of P.H.T. (Putting Hubby Through).

EVENING SCHOOL CLASSES

Over 500 people in the Washington area utilize the opportunities offered by the WBC Evening School. These people are from all walks of life, from high schoolers, to housewives, to businessmen. Although varied in age, ability, and advancement they all delight and profit in Bible teaching. Classes are held primarily on Monday and Tuesday evenings.

There are three courses offered: the Preliminary Training Course for one year, the Standard Training Course for two years, and the Short Course for three years. There are also music courses for instruments and voice. Students finishing three full years of study can complete 36 subjects in Bible study, evangelism, and missions.

The faculty for Evening School this year totaled 21 and included college professors, pastors, missionaries, and musicians.

EXTENSION CLASSES

Through the years the Washington Bible College has encouraged extension classes in areas where it was not possible for people to attend the classes at the college. This year, three areas have been served in this manner. These classes are conducted on the same level as those in Washington and the credit issued is the same and can be applied toward the school diploma.

THURSDAY EVENING COLLEGE

In another effort to accommodate the needs of Bible Students from all areas of life WBC holds special College classes. This year classes were held on Thursday evening and Saturday morning, at which time most people are free from the every day routine. The classes are regular college courses with the normal academic requirements and the usual credits offered.

First semester Professor Willis Bishop instructed the all-important Dispensations class. This course is a basis for a total understanding of the Bible and God's program for mankind throughout all the Biblical eras. This is accomplished by an intensive study of the structure, settings, and significance of dispensations.

Dean Douglas MacCorkle taught the Principles of Literary Interpretation class which was held during the second semester. This course is one of the most popular offered by the College. Students are shown how to be scientific and systematic in the interpretation of Scripture. Detailed observation of the grammatical structure, the author's vocabulary, and prevailing themes along with research of the historical setting of a book are combined to gain insight into the author's purpose in writing the book.

CAPITAL BIBLE SEMINARY

Professor Bishop

Rev. James Dixon

Rev. J. Albert Ford

Dr. Eldon Koch

Dr. Douglas MacCorkle

Dr. John H. Mulholland

As with the Washington Bible College, the curriculum of the Capital Bible Seminary is not merely Bible-centered, it is Bible-permeated. Unlike many seminaries, Capital Bible approaches theology through literal interpretation of God's Word, every word of which is inspired, rather than through philosophical reasoning. Students are given tools and facility in interpreting and applying the Bible.

Because of its approach to God's Word, the Seminary does not suffer from dead orthodoxy, on the contrary, it is vitally Evangelistic with a fervent emphasis on missions. Also derived from such intensive Bible study is the belief in the pre-tribulational, pre-millennial, and imminent return of our Lord Jesus Christ. In addition, the Seminary is dispensational in its teachings concerning Israel and the Church.

Because of its size and the readily available academic facilities, students obtain a personalized and yet professional training, not only in Biblical exegesis, but also in Apologetics, Polemics, Ecclesiastics, and missions.

The Seminary offers three major fields of study: Biblical Exposition, New Testament Literature and Exegesis, and Systematic Theology. It grants the Bachelor of Divinity Degree to those completing the required 106 hours.

DOCTRINAL STATEMENT

We believe in the Bible as the inerrant Word of God, verbally inspired, the all-significant rule of faith and practice.

We believe in one God, eternally existing in three Persons: Father, Son and Holy Spirit.

We believe in the virgin birth, the sinless perfection, the bodily resurrection and ascension into heaven of Jesus Christ, and in His present life there for us as High Priest and Advocate.

We believe man was created in the image of God, that he disobeyed God, and thereby incurred spiritual death, which is separation from God, and also physical death as a consequence; and that all the Adamic race are born in sin and are sinners by nature and practice.

We believe that the Lord Jesus Christ died for our sins as a vicarious, substitutionary sacrifice, and that all who believe in Him are justified on the ground of His shed blood.

We believe in the personal, premillennial and imminent return of our Lord and Savior Jesus Christ.

We believe that all who receive by faith the Lord Jesus Christ are born of the Holy Spirit, and thereby become children of God.

We believe in the bodily resurrection of the just and unjust, the everlasting blessedness of the saved, and the everlasting punishment of the lost.

We believe the Church is an elect company of believers baptized by the Holy Spirit into one body; its mission is to witness concerning its Head, Jesus Christ, preaching the Gospel among all nations; it will be caught up to meet the Lord in the air ere He appears to set up his kingdom.

We believe the grace of God to be sufficient for the maintenance of a godly walk, and that Christ and not the law is the believer's rule of life.
